

ANNOUNCEMENT

**SIP Nordic SA is proud to announce
that we have teamed up with Wealthport!**

Wealthport is an independent FSCA registered Administrative Financial Services Provider (Reg No. 44158) offering Independent Financial Advisors access to bulk investment trading, and client account administration across all investment products.

Wealthport is at the forefront of offering administration of Bank issued Structured Products. Its partnerships with the largest Banks in South Africa, International Banks, Wealth Managers and Private Client channels, allow Independent Financial Advisors to select from a wide suite of Structured Products without the bias of Wealthport being owned by these entities.

Wealthport offers Structured Products on a discretionary basis, as well as wrapped in Living Annuities and Endowment policies. Its relationships with Life Companies allow Wealthport to offer Endowments with additional tax benefits.

Wealthport was the first Structured Product Administrator to offer Structured Products across multiple banks on its platform, and has received awards for “Best Structured Product Provider” and “Best Technology Platform”, as voted for by Structured Product Providers.
